

Send your Session Participants on a Goose Chase!

How it works ...

STEP 1

Create The Game

Build your game from the Game Manager on our website and add the missions your participants will complete to earn points.

When creating a mission, choose whether participants will submit a photo, a video, a text response or check in at a particular location.

Get started by [creating a new game](#) or with a template from our [Game Library](#).

STEP 2

Start the Competition

Start your game from the Game Manager and instruct participants to join it from our [iOS](#) or [Android](#) app.

Once in your game, participants will be able to see your missions and complete them for points!

**Billboard #1 Song**

400 Points

Visit the website... find the #1 song on your 13th birthday. Write it down and take a picture of all team members and their #1 songs.

Edit

Delete

**I know your face**

400 Points

While sitting facing each other, one person draws the other person's face on paper. The person drawing can only look at the other person's face, they can NEVER look at the paper on which they are drawing until complete. Submit a photo of the drawing being held by both participants.

STEP 3

Track & Review Progress

Everyone keeps up to date through the Leaderboard and Activity Feed - keeping participants engaged and giving you realtime insight into progress.

At the end of your game, review all submissions as a group or individually at a later date. Consider debriefing the game and recognizing your winners!

Matt & Chris completed **Chemical Waste** for 500 points

3 minutes ago

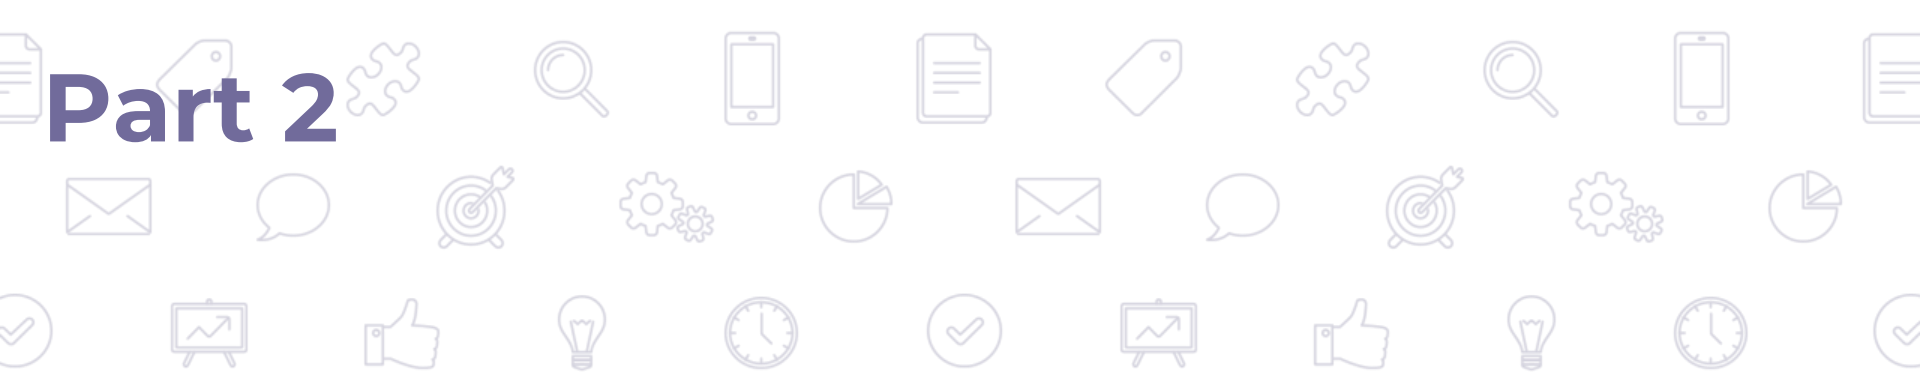

Possible Uses

- Formative Assessment:
 - Project Checkpoint
 - Concept review
- Mini lesson - introduce new concept
- Virtual Field Trip

LET'S PLAY!

LET'S TRY IT!

We're going on a GooseChase!

To participate in this workshop's GooseChase hunt:

1. Form a team!
(groups of 2 or 3 please)
2. Open the GooseChase app.
(or download by searching "GooseChase" in the AppStore / PlayStore)
1. Create a GooseChase account.
1. Search for "Who are you? Who am I?"
1. Create/join your team.
(only one person needs to create the team)
1. Game Code: 21677K PW: PBL123
1. Start completing missions!

LET'S TRY IT!

Debrief

- ▶ What missions did you find most difficult? Why?
- ▶ Did your team work well together? How could you work more effectively?
- ▶ What missions were most enjoyable? Why?
- ▶ Are there any missions you'd like to go back and revisit? Why?
- ▶ How would you/your team participate differently next time?

GOOSECHASE BEST PRACTICES

Collaborate with your team

How might you use GooseChase?
